FOOTPRINTS

One night a man had a dream.
He dreamed he was walking along
the beach with the Lord.
Across the sky flashed scenes from his life.
For each scene he noticed
two sets of footprints in the sand;
One belonged to him,
and the other to the Lord.
When the last scene of his life
flashed before him,
He looked back at the
footprints in the sand.
He noticed that many times along the path
there was only one set of footprints.
He also noticed that it happened
at the very lowest and
saddest times of his life.
This really bothered him and
he questioned the Lord about it.
"Lord, You said that once
I decided to follow You,
You'd walk with me all the way.
But I have noticed that during
my most troublesome times in my life
there is only one set of footprints.

Special thanks to doctors and staff at Grace Hospital.

As per John's wishes, cremation has taken place. A funeral service will be held at St. Mary Church, 123 Main St. on Saturday, January 6, 2000 at 11:00 a.m. Interment will take place at a later date.
